

LED CANDLE LIGHT OPERATION

LED candle w/Timer

Use the master On/Off switch on the bottom of the candle. It will automatically start the 24 hour timer mode. The candle will remain on for 6 hours, and will remain off for 18 hours.

LED Candle W/Remote

Point the hand-held remote and click On/Off. It also has a built in timer, you can choose from 2 hours, 4 hours, 6 hours or 8 hours. Once you click on the desired time, it will automatically start the timer and 2, 4, 6 or 8 hours later the timer/candle will turn off. The timer is optional, you can also turn the candle on and off.

LED Blow-off Candles

Use the master On/Off switch on the bottom. The candle will turn On/Off with just a puff at the "flame".
